## Our Story

mezete product range takes you on a delectable journey in authentic Middle Eastern food. Our all natural, velvety smooth Hummus recipe, perfected over decades can be relished anytime, anywhere.

mezete is proudly prepared by Kasih Food, a company with a rich Jordanian heritage of delighting the palate of consumers for over 90 years.

**Come, Dip into the Middle East!**

## Hummus, the mezete way!

At mezete, our hummus is made from an authentic Middle Eastern recipe (including a high tahini content) combined with UHT technology (the same tech used for carton milk) to enable the world to enjoy all-natural hummus anytime, anywhere without the carbon footprint of chilled storage.
